

## **Under 15s cruise to victory at Olney to help secure title**

On a blazing hot Sunday morning with a 9.15 start, the under 15s travelled to Olney knowing that victory would help put them at the top of Division 1 North. Once again, the under 15s were well supported by travelling parents. The early start seemed to leave most of the team still half-asleep as we went out to field. Fortunately, Olney's batsmen seemed even more asleep and posted only a modest total for Stony to chase.

Great bowling from both Abduls – Abdul the older initially pegging back the opening batsmen, and it looked as if Stony would soon get through the batting order. But dogged determination from the Olney batsmen kept them going. Abdul the younger grabbed a handful of wickets later on, and with each Stony bowler taking at least one wicket, Olney were finally dismissed with only one ball of their 20 overs remaining.

With the temperature rising by the minute, Stony's batsmen set off to chase a modest target of 90, in the hope of getting home in good time for England v Germany. An unfortunate run-out incident meant we lost Rory early on, but Tom Moore (38) was confident at the crease, and was well supported by an impressive 17 from Lawrence Kidd. A nice cameo performance from Glyn Lewis helped see us home with more than 4 overs to spare.
