

## Welcome to the 2010 Season

First of all, a very warm welcome from everyone at Stony Stratford Cricket Club for the 2010 season.

2009 was intended to be a development year, but all the teams did extremely well and there were some tremendous team and individual performances. This newsletter contains a summary of the results and awards for last year.

This year we are running teams at under 16, 15, 14, 12 and 11 ages. The under 13s will take part in a cup competition, and we will also run an under 10 team in the Bucks League.

We are expanding our coaching staff to support our teams again, both adding to the numbers and to the level of coaching certification. In addition, the club's new overseas player, Bradley Staddon, will be regularly helping coach this season.

One great piece of news for the club is the signing of a

new sponsorship deal with Control Group UK. This is a 3 year deal and we have some high quality new kit available now. We do not intend to change the kit within this 3 year period.

The welfare and safety of all our young players is important to us, and I am pleased to announce that we have two newly qualified Welfare Officers—Nicola Manktelow and Rachael Parkin. There will be more information to follow on this important issue to us.

We still have a waiting list to join the club, and so can I please ask that you do

not bring any new players along on training nights without speaking to either Rob Arnold or myself first. We are trying hard to match the number of coaches to the junior players, so that we can give everyone the best training sessions possible.

There are many ways to keep up to date with what is going on—the junior section of the updated website will be live soon, and this newsletter will be published regularly and will also be available by email and on the website. And of course, do come along to the club as often as you can!

## 2009 Season

We said at the start of last season that 2009 would be a development year, and we were not expecting to win any trophies. But it was an excellent performance from all age groups as the league tables show.

## News updates

### WEBSITE

The club has new and updated website for 2010. Some parts, including the junior section, are still being built and will go live soon. In the junior section we will update the fixtures, and add match reports, photos and other news. Check this out at [www.stonystratfordcc.co.uk](http://www.stonystratfordcc.co.uk).

### PHOTOGRAPHS

We are always keen to add photos and news stories to the newsletter and the website, within club policy and guidelines. So do take your camera (or phone) along to matches, and send us some photos. We do not publish names of children alongside any of the photos. Send them to [davidnewman@xlearning.co.uk](mailto:davidnewman@xlearning.co.uk).

### QUIZ: WHO AM I?

My mother was Welsh but this hasn't stopped me playing for England. I went to school not too far from Stony Stratford, - you might even find someone from my old school - and their arch rivals—at the club. I was a fantastic singer when I was young, but my big break in cricket came when the MCC came to play in my local town, who were a man short. Despite being only 14 at the time, I played and scored a century that day. Answer in the next newsletter.

### SSCC JUNIOR COMMITTEE

The Junior Committee comprises coaches and parents, and exists to help with the development of our youth strategy, and to improve communications between the club, players and parents. If you are interested in being involved please advise Mick Capel. Current members are Mick Capel, Rob Arnold, Rob Wells, Richard Arnold, John Jeffries, John Crossley, Nicola Manktelow, Rachael Parkin, Jo Mainard and David Newman. This newsletter is produced by David Newman—contact [davidnewman@xlearning.co.uk](mailto:davidnewman@xlearning.co.uk) if you have photos or other content for inclusion.

### SUPPORTING THE CLUB

We operate 4 Saturday and 3 Sunday teams, and many of our juniors play in these teams. Support for these teams, especially the first team, is always welcome, and you'll always find the clubhouse and bar open on match days. Do come and support us—check the main club website for fixtures— [www.stonystratfordcc.co.uk](http://www.stonystratfordcc.co.uk). And the bar is open most evenings during the season—and with Sky Sports available, do come down for all the summer's sporting events, including the World Cup.

### FURTHER NEWS & EVENTS

Over the coming weeks we will be making arrangements for events such as the Family Day, and we'll let you know more about these in due course—including some of the club-wide events such as the Pig Roast. In the meantime, enjoy your cricket...
